

North East Lincolnshire SENDIASS

What information, advice and support can you get and what should happen if you are:

- Aged 25 or under?
- Disabled or have special educational needs?

Special educational needs are when you need extra support to learn things.

The law says that you can get **information, advice and support**.

You can come to SENDIASS if you want some **help** with getting the right kind of:

- Support at **school**, college or training
- **Health** services
- **Care** and support

Most people who are **16 years old or more** and have finished Year 11 can make their own decisions about their school or support, but sometimes you might need some help.

If you would like a **parent or carer** to help then that is OK. It is up to you.

If you are **under 16** years old, then we will need to talk to your **parents or carers** before we make any decisions.

Our service is impartial. This means we will not tell you what to do. **We will not take sides.**

We will give you the information and support you need to make your **own choices.**

Our service is confidential. That means our meetings will be **private**. We will only tell people what we talk about if you say it is ok. We also need to tell someone if we think you are in danger of being hurt.
